No. 1-11/2022-HPU(Conduct)

Dated : 24<sup>th</sup> July, 2023

**“ NOTIFICATION ”**

A lot of requests were being received in the University for either postponing of Post Graduate Examinations or for changing Examination Centres in view of Roads being blocked or washed away due to incessant rains or floods and very harsh weather conditions.

Neither postponing of Examinations, nor changing of Examination Centres is feasible at this stage. However, in view of prevailing circumstances and further, keeping in view the interest(s) as well as safety of the students, it is hereby notified for the information of all concerned that specifically such helpless students who cannot reach the Examination Centre ***“applied by and allotted to them”*** due to unavailability of roads or very harsh conditions, can appear in the Post Graduate Examinations ensuing w.e.f. 24.07.2023, at their nearby/ easily accessible Examination Centre (out the 43 Examination Centres created by the University for these Examinations), by producing their Admit Cards and a valid Identity Proof, as per Date Sheet.

However, this arrangement would exert extra pressure on the resources of such Examination Centres where the students are appearing over and above, hence, this arrangement may not be viewed upon as ***“for granted”*** by all the students, in general. Moreover, during these Examinations Attendance of the students is required to be marked online at the Examination Centres allotted to them so it is desirable in their interest(s) that the students appear at the Examination Centres allotted to them.
