Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Covid 19 had hit the entire world with different manners and fashions including the educational institutions almost from the beginning of year 2020. Himachal Pradesh University remained closed following the government rules of lockdown till end of May in 2020 and the gap between March end to May was the time to learn different modes of communicating with the students and supply them the teaching materials, initially not only to keep them connected with their syllabus but also to reduce their stress level by keeping them engaged. Himachal Pradesh University initially has started making department wise WhatsApp groups through which the students were taken on one common platform and the soft interactions were started. Later the departments have started conducting lectures on WhatsApp which was further improved through different other channels in which You Tube channels were preferred to supply presentations and the e contents. This new pattern of interaction was not only liked by the students but the faculty members have also moved for different experiments to improve the quality of online teaching at their own level.</p> <p>IQAC has coordinated with all the teaching departments of the University on first days of April and suggested to develop mechanism for online teaching which we initially started with our own mobile phones and gradually we adopted Google meet/ WebEx etc. following the UGC guidelines and later carried on having these online platforms for online teaching. For more than a month, all the chairpersons and department coordinators have shared their valuable experiences, new innovations and techniques to strengthen online education. This knowledge sharing process was undertaken again initially on whatsapp group created by Internal Quality Assurance Cell (IQAC) and later the discussions were carried out on Google Meet. This knowledge sharing remained very fruitful especially both for the faculty members with less technology awareness and for the trained too to know how better presentations can be made for online teaching and how more attention of students can be ensured for online teaching. On 24th June 2020, we had a meeting of all the chairpersons and department coordinators in Himachal Pradesh University auditorium well maintaining the physical distancing, where various issues related to online education were discussed. Further to strengthen online education, administrative and financial consent was provided to purchase 173 laptops to the faculty members of different departments, whereas some of the faculty members were already having laptops provided by the university previously. It was a challenge to ensure our reach far off places of Himachal Pradesh which being a mountain state has its own challenges and several places still don't ensure good speed internet services. In these cases, we continued sending them presentations, lectures and some teaching material on their mobile phones to they stay in touch with their academic progress. Although we have got enough months in 2021 to call the students back to their classrooms but we are still imparting online education to the students and developing studios and other electronic infrastructure to improve the quality of online teaching in the university.</p>		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0		
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
