

WEBINAR ON “CAREER OPPORTUNITIES IN CSR” [JUNE 12, 2021]

Himachal Pradesh University Department of Interdisciplinary Studies organized an online webinar on “Career Opportunities in CSR” for the students of MBA-Rural Development.

On this occasion Pradeep Singh, Head CSR at Steel Strip Wheel Ltd acted as resource person from his corporate head office Chandigarh. Mr. Singh motivated said that since 2012 to 2021 number of amendments have taken place and, in the CSR, and prior to this it was voluntary based. Now due to the stringent law’s government is ensuring the contribution of eligible companies to obey the CSR obligations and pay back to the society the main stakeholders. He said the increase in CSR activities by the listed companies will automatically require more skilled CSR professionals.

The section VII of CSR rule is very important when doing CSR, professionals need deep understanding on company act, CSR project formulation, execution and monitoring, the serious and committed students looking their career in CSR should to inculcate that much of skills.

Pradeep Singh started his career from NGO after completing education from Himachal Pradesh University in mass communication, sociology then worked in Hydro, Textile and recently joined automobile limited companies by leading CSR. Students asked many questions related to the CSR implementation and career opportunities in Himachal Pradesh.

The resource person Mr. Singh responded that abundant career opportunities are available as Himachal Pradesh is second largest hub in Asia for pharmaceutical apart from this many hydro power projects, textile, cement factories have their huge obligation under CSR. To comply the with this obligation they need to establish their CSR foundation and require professionals where young profession or CSR graduate can explore their career opportunities.

The Corporate Social Responsibility is the part of course in MBA-Rural Development run by the Himachal Pradesh University and continuously organizing such webinar to have interaction with experienced CSR professional with the students. This webinar was coordinated by Dr. Baldev Singh Negi, Faculty Rural Development who is teaching the CSR in this MBA-Rural Development. He thanked the resource person Mr. Pradeep Singh and assured that such academic activities will remains continue in the department under the academic leadership of Hon’ble Vice-Chancellor Prof. Sikander Kumar, Director, Prof. Prakash Chandel and in cooperation with faculty members in the department.
