

Dr. Sumesh Sood
Associate Professor
(Ph.D., MCA)

Area of Interest: Software Engineering, Data Science, DBMS

Email: sumesh64@gmail.com

Mob: +91-9888306100

Dr. Sumesh Sood has been in the teaching profession for the last Twenty years. Currently serving as an Associate Professor at Himachal Pradesh University, Shimla, he holds a distinguished background as a seasoned educator. With a Ph.D. in Computer Science, he has significantly contributed to the field, having previously held the position of Principal at SSCMT, Amritsar, Punjab, and served as Incharge at IKGPTU Dinanagar Campus, Punjab.

His academic journey is marked by an impressive publication record, with over 100 articles gracing national and international journals. A trailblazer in research, he has successfully led numerous nationally funded projects. He has guided 04 students in Ph. D. and numerous M.Phil., MTech, and MCA candidates. He has also authored and edited several noteworthy books in the domains of Software Engineering, Computer Science, and Information Technology. He has presented over 50 research papers at prestigious national and international conferences. A sought-after Resource Person and Keynote Speaker, he has delivered more than 30 lectures across various national-level conferences, institutes, and Faculty Development Programs (FDPs). Adding to his repertoire, he has chaired technical sessions at multiple conferences and seminars. Actively engaged in continuous learning and knowledge dissemination, Dr. Sood has participated in and organized various workshops, refresher courses, and conferences within the dynamic field of Computer Science and Information Technology. His expertise spans Software Engineering, Database Management Systems (DBMS), Data Science, and Machine Learning, reflecting a broad and impactful contribution to the academic community.
