Agenda Item No. 1 Filling up of Vacant Teaching Posts in the various Departments of University.

The Finance Committee, in its meeting held on 10.12.2025, had resolved that a comprehensive proposal for filling both Teaching and Non-Teaching posts be processed through the departmental file and submitted to the Finance Department through the AD(Education).

In pursuance of this decision, the matter was taken up with the Finance Department and formally discussed in meeting held on 05.03.2026. During the discussions, it was informed that the exercise would require additional time, and that certain teaching posts are urgently required to ensure the smooth functioning of the institution. Accordingly, the Finance Department advised that, given the prevailing financial constraints of the State, a cautious and need-based approach should be adopted in filling vacant posts. In view of this, it was decided to place the matter again before the Finance Committee for consideration of only the most urgent and essential requirements.

Accordingly, the present agenda has been placed before the Finance Committee by circulation for consideration and approval.

The Committee examined the matter in detail taking into account both the financial position of the State and the academic and functional requirements of the institution. It was noted that an acute shortage of teaching faculty in certain departments is adversely affecting teaching, student supervision, and timely completion of academic activities.

After detailed deliberations and balancing the considerations of financial prudence and academic necessity, the Committee concluded that the proposed posts, which are critically required, may be approved for the effective functioning of the concerned departments. It was further noted that the continued non-availability of faculty against these posts is likely to adversely impact academic work, including student supervision, course delivery, and overall academic performance.

The Finance Committee after detailed deliberations decided to fill up following essential teaching posts as per UGC norms or as per applicable policy as a special and one-time measure. It was also emphasized that such appointments shall be made strictly in accordance with the prescribed Recruitment Rules and only after fulfilling all codal, statutory, and procedural requirements.

The Committee further resolved that the remaining vacant teaching posts may be considered for filling in a phased manner, subject to the improvement and stabilization of the State's financial position.

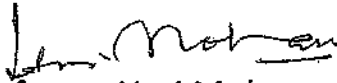

With regard to Non-Teaching posts, the Committee noted that a decision had already been taken in its meeting held on 10.12.2025. The same shall remain unchanged, and proposals for these posts shall be processed separately, strictly based on actual necessity, workload, and the overall fiscal position of the University.
