Himachal Pradesh University

Regional Centre, Khaniyara, Dharamshala

From Director's Desk

Himachal Pradesh University Regional Centre, Dharamshala is playing an important role in imparting higher education for last 25 years. We have dedicated so many advocates, economist, mathematicians, administrators, politicians and social scientists etc. to society for past many years. It's an admitted fact that education and thinking plays an architectural role in developing a society free from orthodoxy. We are providing education at higher level which we trust should be free from capitation and having infra-structural basis. Our aim is to provide education for all at minimum resources.

Keeping in view the societal trends, alongwith traditional master degree courses, our thrust is to start various professional courses alongwith LL.B., MBA, MCA which are already running. Limited seats for M.Phil has also been introduced. In future, the plan is to introduce more professional courses.

After being shifted to picturesque beauty of Dhauladhar Hills Lap in 2014 our focus is now to develop infra-structural facilities to our students in the form of Hostels, Academic blocks and Playgrounds etc.

I am confident that your higher education journey through our institute will give you the richest experience of your life. I am looking forward to welcome you at H.P. University Regional Centre Dharamshala.
