Cleanliness Drive	24th
Heritage walk	26th
Cultural Event	27th

World Tourism Day is celebrated annually on the 27th of September to foster awareness among the international community regarding the importance of tourism and its social, cultural, political and economic value.

ABOUT OUR TOURISM WEEK

University Institute of Vocational(Tourism) Studies is celebrating "Tourism Week" with the current theme of World Tourism Day "Rethinking Tourism"- which means putting people and the planet first and bringing everyone from government and business to local communities together around a shared vision for a more sustainable, inclusive and resilient sector.
