**HIMACHAL PRADESH UNIVERSITY**

The Himachal Pradesh University was founded on July 22, 1970. It is located at Summer Hill which is at a distance of 5 km from the main town, Shimla. The University is nestled amidst tall and lush green trees of deodars, silver oaks, pines and rhododendrons.

The location of the University presents a panoramic natural view among the woods, settled around Summer Hill. The University campus occupies an area of 200 acres and has been designed to possess a distinctive architectural style. Himachal Pradesh University is the oldest multi-faculty and affiliating University in the state. The university is re-accredited “A” Grade, by the National Assessment & Accreditation Council (NAAC).

### ABOUT THE DEPARTMENT

Department of Biosciences is oriented towards research and post-graduate training involving the study of biological resources and their development in the state. Department of Bio-Sciences is a DST-FIST and UGC-SAP-DRS- II funded department. The department from time to time has been able to obtain research projects from various granting agencies such as the University Grants Commission, Indian Council of Agricultural Research, Department of Science and Technology, Department of Environment, National Medicinal Plants Board, etc., which has greatly helped in augmenting and strengthening the research activities in the department. The achievements of the faculty members and research students are reflected in various international awards and scholarships such as Visiting Professorship/Senior Scientist, Alexander von Humbolt Fellowship, Royal Academy of Sciences, London awards, Japan Society for Promotion of Science Awards, Commonwealth Fellowship, INSA. The faculty members constitute a team of experienced and young scientists recognized nationally as well as internationally.
