CALL FOR PAPERS

ABOUT THE CONFERENCE

The International Conference on Research and Development in Information, Communication, and Computing Technologies (ICRDICCT -2026) is scheduled to be held on 09 & 10 April 2026 in online mode, with the Seminar Hall, Himachal Pradesh University Regional Centre (HPURC), Dharamshala as the official host venue. The inauguration of the conference will be conducted in hybrid mode (both offline and online), enabling participation from dignitaries and guests at the venue as well as from remote locations. This multidisciplinary conference aims to bring together researchers, academicians, industry professionals, and students from the domains of Computer Science, Law, and Mathematics to discuss recent advances, share innovative ideas, and explore the intersections of intelligent computing, legal analytics, and mathematical frameworks. By providing a collaborative platform for knowledge exchange and dialogue, the conference seeks to promote cutting-edge research, encourage interdisciplinary collaboration, and contribute to the development of solutions for contemporary technological, legal, and societal challenges.

⭐ **All Registered authors will get Certificate after Presentation**
